

## II D

Europe is our future.

Europe is in our hands.

Europe as a better future.

Europe: daughter of the world.

Europe a step towards the future.

**Europe, an open door.**

We are Europe.

**Think better, think Europe.**

Europe, for a better life.

Europe: the best choice.

Get the best: get in Europe.

Europe: a choice for life.

Union makes us stronger.

Europe: the power of freedom.

European citizenship: freedom and equality.

---

## II E

We have got clear ideas...we are European.

**Guess what? We are European.**

---

## II F

27 Stars, 27 Countries, for on only people: Europe!

So many cultures, so many differences in an only country: Europe.

The citizenship beyond the European boundaries.

**Europe and us, together for the future.**

So many small countries in an only people...

### III F

European dreamers: free and united

You are with us too... Comenius, oh yeah!

**Comenius is an evolution, Europe is the solution.**

Comenius, a window for Europe!

**Europe: oh yes!**

Frontiers first, freedom than, united finally. Europe!

We travel together step by step for a united Europe!

Comenius: a name, a certainty, a guarantee for Europe!

**1 for 27 and 27 for 1.**

A small step for Man, a big one for Europe.

A different people, a different culture, different languages, nothing but European.

---

### III G

Many different identities in one great community.

Differences make our richness. Peace and love make our Union.

Different identities are not a limit but the real strength of our Union.

**Living in perfect harmony under the Union's shadow.**

Hand in hand in the sign of Union.

**Going ahead together in a dream of freedom and peace.**

United to create a better and larger European Union.

Freedom and Unity for the European Union: all united towards new horizons.

One for All, All for the Union.

No discriminations in our Union.

---

## II H

Europe forever.

No Europe, no party!

Europe for you and for me.

United citizen of Europe.

**Europe! One more hope.**

Comenius, together for Europe.

Today, Tomorrow, Europe.

Citizenship, an European way of life.

Yes, we are European.

**Europe, yes we can.**

**Happy Europe for young and old ones.**

---

## III I

**U 4 Europe.**

Europe is peace.

We are working for peace and solidarity.

Everybody for Europe.

Europe is our future.

**We... You... Europe.**

Europe is integration.

---

## II O

**Different cultures: a value for Europe.**

Europe a common heritage.

From sovereign states to the United States of Europe.

**A real Union for real needs.**

All together under an only one flag.
